Sir:

In connection with papers filed for the above-referenced Patent Application, this Application was inadvertently filed with a claim of small entity status as of the filing date of March 15, 2004. However, upon filing Applicant paid the appropriate large entity fees for the utility filing and the additional fee for extra independent and dependent claims. The fee actually paid by Applicants was \$892.

Furthermore, in connection with a paper filed on July 27, 2004, Applicants paid the correct fee for late filing of the Declaration pursuant to 37 C.F.R. 1.492(e).

Accordingly, Applicant does not believe that any fees are due in connection with the submission of this paper. Applicant respectfully withdraws its inadvertent claim to small entity status. If any fees are due in connection with this paper or any paper filed in this Application, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment to our Deposit Account No. 02-4377. Duplicate copies of this sheet are enclosed.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Robert L. Maier", is written over a horizontal line.
